

1. How many members of each animal species did Moses take aboard the ark?
2. *Digging Dirt*: How much dirt is in a round hole that is 7 feet deep with a diameter of 4.5 feet?
3. If a plane crashes on the border of the U.S and Canada in what country do you bury survivors.
4. *To Light a Fire*: You are hiking with a friend in the deep woods of northern Canada. A cold front quickly approaches and you find cover behind a sheltered boulder. A fire will be necessary if you are to survive the storm. In your pack you have only one match, a candle, a tightly wound ball of birch bark and a roll of toilet paper. Which would you light first?
5. *A Good Guess*: There is a man who guesses the score of every football game before Kick-off. How can he do this?
6. You are the pilot of a plane, the exterior of the plane is blue, the interior is red with blue seats. The flight attendants all wear green, and their hair colors vary from purple to grey. How old is the pilot?
7. *The Crazy Cat*: A cat jumped out the window of a 30-story apartment building and lived. How?
8. *The Pilot*: A boy and his father are on a late flight from New York to Denver. Part way through the flight the boy becomes curious and asks to see the plane controls. They allow him in the cockpit, the pilot shows him the controls and after the boy goes back to his seat the pilot tells one of the attendants, "that's my son". How is this possible?
9. *Frequent Occurrence*: It occurs once in a minute and once in an hour, but never in a second. What is it?
10. *One-Way Street*: A girl who was just learning to drive went down a one-way street in the wrong direction, but didn't break the law. Why not?
